PRESCHOOL

PLAYING WITH COLOUR

An introduction to the fascinating world of colour through games and discussions, followed by a painting workshop.

45-MIN TOUR + 45-MIN ACTIVITY **$230**

TOPICS EXPLORED

- **MATERIALS**
  Children will become familiar with basic painting vocabulary and techniques
- **COLOUR**
  Children will discover the effects of mixing different colours
- **EMOTION**
  Children will become aware of the connections between colour and emotion

THE TOUR

The children will explore specific themes described during an interactive tour developed around contemporary artworks. Throughout the tour, the children will participate in different theme-based activities:

- Observation games
- Miming games
- Association games with images, ideas, memories and impressions

CREATIVE ACTIVITY

The children will experiment with overlapping colours and working with materials in a spontaneous way as they create an abstract gestural gouache painting. Materials used:

- Paintbrush
- Sponge
- Roller
- Spatula
- Squeeze bottle paint

A DEVELOPMENTAL LEARNING EXPERIENCE

Works of art are a magnificent gateway for stimulating learning across many areas of development. Beyond artistic discovery, children will build their understanding of the world at the Museum. In this activity, children will specifically learn to:

- Assert their personality
- Interact harmoniously with others
- Communicate
- Develop their understanding of the world
- Complete a project
- Exercise their sensory and motor skills
